SECTION B: Community Interest Statement – Activities & Related Benefit

Please indicate how it is proposed that the company’s activities will benefit the community, or a section of the community. Please provide as much detail as possible to enable the CIC Regulator to make an informed decision about whether your proposed company is eligible to become a community interest company. It would be useful if you were to explain how you think your company will be different from a commercial company providing similar services or products for individual or personal gain.

Activities (Tell us here what the company is being set up to do)	How will the activity benefit the community? <i>(The community will benefit by...)</i>
To find and regenerate an area of land to include: <ul style="list-style-type: none"> • Woodland • Wildflowers • A pond/lake • A community garden/orchard • Nature trails and outdoor learning and wellbeing spaces 	The community space will bring people together to work with the land, accessing skills and knowledge from local experts. The regeneration of the land will increase biodiversity and improve air quality, as well as providing access to nature for the community. A greater connection with nature will improve the wellbeing of members of the community. We will provide opportunities to learn how to grow food as well as trees and plants and raise awareness of caring for the environment.
To build an eco community centre to include: <ul style="list-style-type: none"> • A café • A shop • Indoor and outdoor natural play and sensory areas • A sensory and kitchen garden • Space for group and private courses and sessions 	The centre will provide an accessible and inclusive safe space for members of the community. We will work with local businesses to supply resources and expertise. Those involved in the construction will learn about sustainable and eco-friendly building methods and energy supplies. We will improve access to holistic and nature-based services and provide a connection with nature. The café and shop will support local suppliers and provide employment and work experience opportunities. The venue will be affordable for local community groups to use for family activities, education and wellbeing sessions and a platform for independent businesses and sole traders to exhibit and sell their products.
If the company makes any surplus it will be used for... Reinvesting into the company to serve the community and care for the environment.
